Hi, Jim -- Tom and I worked with ORC on the final changes, and I ran them by Jim Zellmer before signing. We accepted all of WDNR's suggestions, added me as the signatory since Jim was signing for WDNR, and deleted reference to the number of impacted wells since it's a little unclear if currently its 44, 48 or somewhere in between. Cheryl Burdett is working that out with the County, and we didn't want to hold up the letter getting out today. Jim Zellmer is going to sign, and send us copies of the message with the letter that he sends to David Crass later today.

Linda
